This week my mainly works are as follows:

- 1) Went Song Dynasty Town with SUTD students.
- 2) Learned <<JavaScript: The Definitive Guide>>.
- 3) Programed NSVA project.

I have gone to the Song Dynasty Town with eight SUTD students, we had a great time visting the Song Dynasty Town.

I have realized that my JavaScript programing skills was not as good as I expected, so I believe I need to enrich my theoretical knowledge. Then I learned <<JavaScript: The Definitive Guide>>.

I have enriched many function for NSVA project.
